### **DETAILED ACTION**

This communication is responsive to Amendment, filed 07/09/09.

Claims 1-4, 8, 11-13 are pending in this application. Claims 1, 8 are independent claims. In the Amendment, claim 1 has been amended.

The rejection of claims 1-4, 11, 12 under 35 U.S.C. §101 has been withdrawn in view of the amendment.

### ***Statement of Reasons for Allowance***

Claims 1-4, 8, 11-13 are allowed.

The following is an examiner's statement of reasons for allowance.

The present invention is directed to a method for tracking the location of employees wherein a computer program keeps track of all of the employee locations and employee preferences concerning message delivery throughout the day to facilitate delivery of messages in a timely manner.

Claims 1, 8 recite, or similarly recite, in combination with the remaining elements, the step of *generating in the processing device a merged preference set by merging the recipient's delivery preference and the corporation's preference; and providing to the user the updated scheduled location and the merged preference set to facilitate delivery of the message to the recipient at the updated scheduled location.*

The closest prior art, Balma et al. (US 6,157,945) and Rodriguez et al. (US 7,124,087), show a substantially similar method for determining the recipients

Art Unit: 2159

intended location. However, Balma et al. and Rodriguez et al., singularly or in combination, still fail to anticipate or render the above cited limitations obvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
